

The background of the page is a soft-focus photograph of a coffee cup filled with coffee and a notebook with a blue cover. The lighting is warm and suggests a cozy, creative environment.

# Spiegelbilder

# Willkommen

Kinder fördern ist wichtig. Aber es muss ohne Druck und ohne Streit sein.  
Spiele machen den meisten Kindern Spaß und fördern so die unterschiedlichen Kompetenzen. Unsere Kinder bekommen so gar nicht mit, dass Sie lernen.

Achten Sie darauf, dass Sie Ihrem Kind solche Spiele geben, wenn Sie keinen Zeitdruck haben und versuchen Sie diese zu wählen, bei dem sie nicht ängstlich daneben stehen oder die Ihre Nerven strapazieren. Das kann ansonsten leicht in die falsche Richtung laufen.

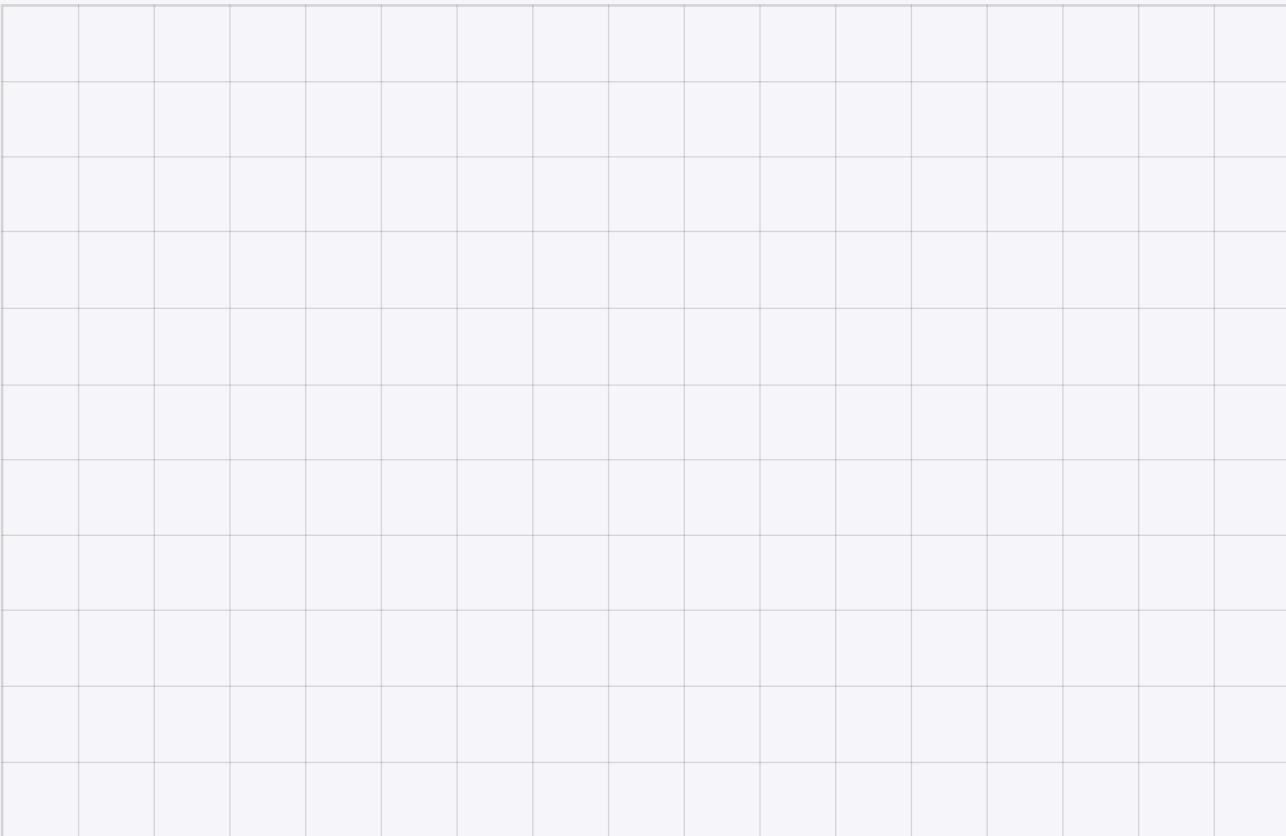

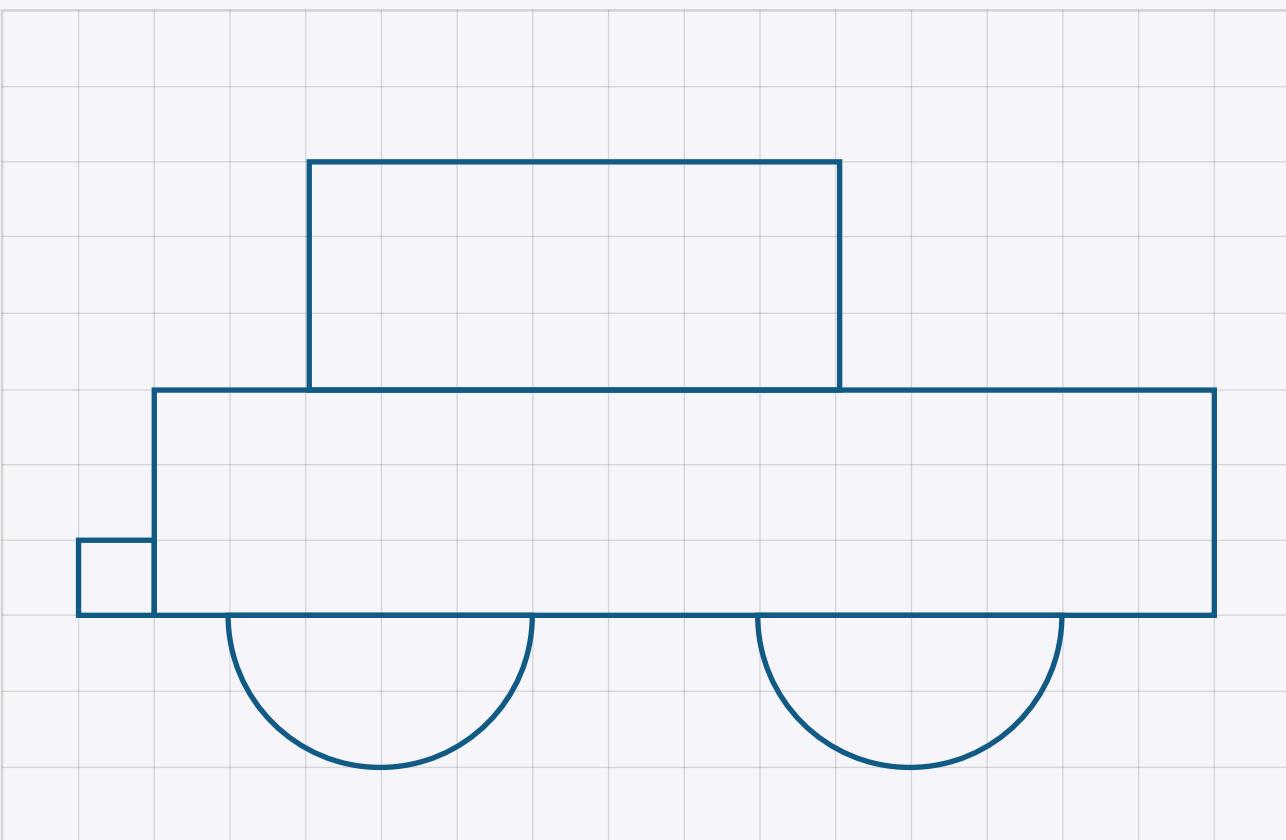

Hier finden Sie nun einige Nachzeichenübungen. Diese Übungen fördern neben der Konzentration, die Raum-Lage-Orientierung, mathematische Fähigkeiten (Kästchenzählen) und das räumliche Vorstellungsvermögen.

Den Begleitartikel für dieses Arbeitsbuch finden Sie auf [www.familienkouch.com](http://www.familienkouch.com). Einfach nach Konzentration suchen.
